## Cottonridge Cord Change Service

Change the cord on a hoodie to suit your customer's team colours

With a white logo, a white cord looks great.

Cottonridge are the only company to offer this unique service.

We will change any cord in a garment enabling you to customise your hoodie to suit your customer's required colours.

For example, if your customer's team colours are red, white and navy blue, we can put a white cord into a Navy / Red W73 hoodie giving you a navy hoodie with a red hood lining and white cord.

We also offer a number of different styles of fashion cords that you can choose from.
